

SOCIAL MEDIA COORDINATOR

A Social Media Co-Ordinator is becoming one of the most important positions within a club as social media is such a powerful way to grow and engage your club's audience. Effective use of social media will also support and drive the achievement of many of the club's goals and objectives.

In even the smallest of clubs the volume of information which could be included in social media means that the role is often too big for one person so a key function of the role is to build and co-ordinate the activities of the social media team.

The key objectives of any communication plan should include the following:

1. Build your club's audience on social media of people who genuinely follow and have an interest in your club
2. Build the sense of belonging between your club and its (social media) supporters and followers
3. Support the achievement of club goals and objectives (e.g. sell 100 tickets to the mid season ball)
4. Relay important "operational" information to relevant people within the club (i.e. under 12 training is cancelled tonight)

End of year hand over

Updating key documents

At the end of each year a key activity of the Social Media Coordinator will be to review and revise their position description to ensure it continues to reflect the requirements of the role.

The social media coordinator should compile a list of people at the end of each season who have access to each of the social media platforms and provide this list to the committee. Ideally the social media coordinator should review the communication plans for the season just finished and make recommendations to the committee for any changes they suggest for next season.

The updated Position Description and supporting information must be provided to the club secretary prior to the Annual General Meeting each year.

Induction of the incoming Social Media Coordinator

An important responsibility of the outgoing Social Media Coordinator is to train, mentor and support the incoming Social Media Coordinator and the next season's social media team.

The estimated time commitment required as the Social Media Coordinator is XX hours per week.
