PARTNERED BY STEVE'S LIQUOR

As a businessman and avid bowler at Murrumbeena Park Bowls Club in Victoria, I've been actively seeking to identify and incorporate initiatives that will assist and support individuals and the wider Bowls community.

The result has delivered BLEST, an exciting partnership between my company, Steve's Liquor with Barrie Lester, supported by Bowls Australia.

BLEST is a concept endorsed by all three groups and will, in part, assist Barrie in his quest to represent Australia at the highest level.

The BLEST range includes premium wines, beer and cider that have been specifically matched to the premium bowler that is Barrie.

BLEST wines are EXCLUSIVE to all Lawn Bowls Clubs across Australia, and importantly every bottle of wine, beer and cider purchased financially contributes to Bowls Australia's Disaster Relief Fund.

You will also receive a follow up phone call from Barrie himself!

BLEST Regards,
