TESTIMONIAL

When Paul came to meet with our club everyone was impressed with his knowledge and offer of any assistance we needed.

He then returned a couple of weeks later to assist us in hosting our annual Challenge Tournament between clubs in our division who are based on the NSW side versus the VIC side of border.

We hosted nearly 100 bowlers and Paul mixed amongst them all throughout the day.

All the clubs in our region have been pleased with Paul when he visited their clubs, and we enjoy his company and assistance on our tournament day.
