

Release 1.13 Beta Dec. 2020

Summary Changes to the Membership Platform based on BA and STA Requests.

Highlights

- Reports (phase 1) for Club and District Admins.
- Pagination on membership pages
- option to make positions mandatory in Competition entry.

Bug Fixes

- * [BA-1885] - Doubling-up of results
- * [BA-1895] - Result embed code not working for single events
- * [BA-1898] - Error stopping team selection
- * [BA-1899] - Unable to finalize a forfeited match

Tasks/New Functionality

- * [BA-1839] - Increase default pagination size for members
- * [BA-1856] - Streamline entries listing
- * [BA-1857] - Streamline fixtures listing
- * [BA-1864] - Add pagination to bottom of data tables
- * [BA-1873] - Add support for a 'Shots & Points' score label display to the 'Sides & Shots' result profile
- * [BA-1880] - Implement reports (Phase 1)
- * [BA-1887] - Entry - Add the option to make position mandatory
