## TESTIMONIAL

Our RBM visited our club to help and assist with our grant application for funds to add more shade structures.

He was very knowledgeable with the grant process and helped with our submission.

He also attended our club Charity Day and assisted with the tournament draw and recording the scores.

He entertained our local state member while the players were on the green.

Club members were very appreciative of his assistance and felt his expertise added value to the day.

With our RBM's help, we managed to raise our best ever result for the Children's Cancer Department at Randwick Hospital.
