Pennant Play

For those used to competitive sport, pennants offers the opportunity to play against players from other clubs. Pennants are played over the warmer months between the months of October and April.

Cambridge Bowling Club fields a team in the top men's premier league competing against top players in the State, however different pennant grades will cater for the beginner also - there's something for every level.

Cambridge fields 3 teams for Thursday afternoon pennants and 4 teams for Saturday afternoon pennant in the men's competitions and one team in the ladies Tuesday morning pennant. There is also some open gender competitions on each of these days.

For information on pennant bowls call Mens Chair of Selectors STEVE BUCKLEY on XXXXXXXXXX or Ladies Chair ZOE HEWITT-DUTTON on XXXXXXXXXX.

Club Championships

Throughout the season, the club holds various Club Championship events, in Singles, Pairs, Triples and Fours. There's also Novice Singles for our newer players.

For many of our events, you can enter as a single entry, which simply means we will team you up with others to ensure a fair, equitable competition.

For other events, it may be that you nominate your exact team, meaning you can play with your family or mates to try and win yourself a club title.
