Junior Bowls

We have a great Junior Program. We currently have five registered Junior Bowlers and have just appointed Grade one bowler Matt Lovett-Jeans as Mentor/Coach of our junior program.

We have regular training sessions and the juniors are placed into teams for Zone Junior and Club events where they will be mentored.

Mission Statement

To create an environment in which our members are assisted to reach their full potential as a bowler and a member of NBC Sports Club, in an environment that promotes excellence, equality and instills the qualities of personal development, team pride, respect and sportsmanship in everything they do.

Core Values

Our core values are:

- Striving for excellence in all that we do
- Continuous self-improvement
- Encouraging individuals to fully develop their own and others' potential
- Honesty, Respect and Integrity
- Family friendly atmosphere
- Being socially aware and responsible
- Upholding club traditions, history and values

Code of Conduct

Our code of conduct outlines our core values for our personal and professional behaviour and how we relate to each other, other bowlers and the wider community.

To enjoy success it is essential that our behaviour and conduct promote excellence and the qualities of personal development, team pride and sportsmanship.

For a full copy of the NBC Sports Club Code of Conduct, head to: www.nbcsportsclub.com.au

Pennant Play

Our Club has several pennant teams that represent the Club each weekend. The competition is graded to ensure that you are likely to be playing with, and against, players of a similar level to you.

HOW DOES PENNANT WORK?

The Club has 7 pennant grades - something to suit everyone. You certainly don't have to be a pro to play pennant bowls. Pennant is simply a step up from social competition where we play against other clubs.

Each pennant side is made up of three teams of four, so you get to play alongside a great group of mates every week. At the end of the game, the scores are tallied and the aggregate winner is decided - you can lose your own game but still contribute to a great win.

For more information on pennant bowls call Chairman of Selectors Brett Hughes on 0408136831.

Club Championships

Throughout the season, the club holds various Club Championship events, in Singles, Pairs, Triples and Fours. There's also mixed pairs and triples, as well as Novice Singles for our newer players.

For many of our events, you can enter as a single entry, which simply means we will team you up with others to ensure a fair, equitable competition.

For other events, it may be that you nominate your exact team, meaning you can play with your family or mates to try and win yourself a club title.

Club Uniform

Club Uniform must be worn for all pennant and club championship games unless indicated by the Match Committee. Club uniform consists of:

- Club Shirt (available from the bar nominated pennant players are entitled to one free shirt)
- Black pants or shorts (can be ordered or purchased through Sports Factory)
- White socks
- Bowls Australia approved shoes
- Club Hat (optional available through the club)
- Club Jacket (optional available through the club)

Please call BRETT HUGHES on 0435826640 for more details regarding uniforms.

Social Bowls

Social Bowls events are open for members and nonmembers, whether they are from another club or someone who is interested in having a go. To enter, just place your name on the entry forms located on the ledge under the Bowls notice board.

MONDAY - Greens closed for maintenance
TUESDAY - Mens nominated pairs 11.00am
WEDNESDAY - Open triples (single entry) 9.30am
THURSDAY - Ladies social bowls 9.30am
FRIDAY - Mens triples (single entry) 9.30am
WEEKEND - Pennant, championships and tournaments

Neat and clean casual wear to be worn for all social bowls events. Clothing that is seen to be immodest or offensive in style or design, soiled, tattered or torn clothing or shabby footwear are not to be worn
