## 2 COMPETITION FORMAT

### 2.1. Game format

- 2.1.1 The matches will be played in a two bowl triples format. The matches will consist of two sets of five ends with a one end tie-breaker if the sets are evenly split. One optional roll up end per match (for all players registered in a team).
- 2.1.2 To ensure quick play, there are to be no jack rolls – jacks are to be placed by team that controls the mat. Ideally, there will be two jacks for each rink of play (one jack left at each end).

#### First to play

- 2.1.3 First set: teams will toss a coin and the winner of the toss can choose whether their team places the mat and jack, and then delivers the first bowl or tells the opposing team to place the mat and jack, and then deliver the first bowl (the opposing player cannot refuse).
- 2.1.4 Second set: the winner of the first set shall place the mat and jack and then deliver the first bowl. If the first set is a draw, the winner of the last scoring end in that set shall place the mat and jack.
- 2.1.5 The first and any further ends of a tie-breaker: teams should toss a coin and the winner of the toss has the options as described in 2.1.3 above.
- 2.1.6 In all ends after the first end of each set, the winner of the previous scoring end shall place the mat, advise the skip the length of jack and then deliver the first bowl. If, however, the first end of the first set is a tied end, the first to play in that end shall also play first in the second end of the first set.
- 2.1.7 Each team will have one power play each set which will double the shots for their team only for one end. Teams must nominate to use a power play before the commencement of an end for the power play to take effect – the opposing team must be informed of the intention to use a power play before placement of the mat. Both teams can choose to use their power play on the same end. If a team has not utilised their power play before the fifth end of a set, then the fifth end will automatically become that team's power play.

- 2.1.8 If the jack is killed it will be re-spotted on the two metre mark at the end of the “T”
- 2.1.9 A skipper is allowed to be at the head while the leads and seconds deliver their bowls
- 2.1.10 Movement to the head – **leads** cannot follow their bowl.  
**Seconds** can only follow their second bowl each end.  
**Skips** must walk back to the mat end together, however skippers may follow either bowl

Slow play will not be tolerated with an aim to complete each match within 75 minutes.

- 2.1.11 All rounds, from Preliminary Rounds to National Finals will consist of sectional play.
- 2.1.12 The Tournament Committee reserves the right to alter the Conditions of Play for the National Finals if circumstances necessitate alterations.
- 2.1.13 The minimum number of teams for a Preliminary Round event to be held is four teams. The maximum number for any Preliminary Round is sixteen teams.

## 2.2 Determination of Winners

- 2.2.1 Sectional Winners and Ladder rankings will be determined in the following order:
- 2.2.2 Firstly, by the highest number of game points (wins) scored – a win is worth three points and there cannot be any draws.
- 2.2.3 If game points are equal, the team with the highest number of sets won shall be ranked higher – one point per set won and 0.5 points for a drawn set.
- 2.2.4 If game points, and sets won are equal, the team with the highest net total shots (total shots for less total shots against) over all games in the section shall be ranked higher (shown as score difference on the ladder).
- 2.2.5 If game points and sets won, and net total shots are equal, shot percentage will be used which will divide a player/teams’ total of shots for, by the total of shots against to calculate a shot percentage. The player/team with the highest shot percentage will be ranked higher.
- 2.2.6 If everything is equal, the head to head game will be used to separate the teams.
- 2.2.7 The points tables linked from the BPL Cup webpage (under the National Events tab of [www.bowls.com.au](http://www.bowls.com.au)) should reflect the above ranking order in each case.
- 2.2.8 Three points, and the following shot allocation for a win by forfeit and/or a bye in section play will occur.
